August 2011

Congratulations!

We would like to congratulate Escuela Normal Manuel Belgrano de Santiago del Estero on having adopted Cambridge ESOL Exams!

Instituto Cultural Anglo Argentino has kindly offered this school several scholarships to help students prepare for YLE, KET and PET exams.

The first students will be sitting for the exams in the November/December session. Good luck to all of them!

Cambridge English First

First Certificate in English (FCE)

Did you know that there is a new version of the *Cambridge English: First*, commonly known as *First Certificate in English (FCE)*?

There are two versions of Cambridge English: First. **Cambridge English First** and **Cambridge English First for Schools**. Both follow exactly the same format and the level of the question papers is identical. The only difference is that the content and treatment of topics in Cambridge English First for Schools have been particularly targeted at the interests and experience of school-aged learners.

Best Practice in State Education
Matias de Paula, School Head and EFL Teacher, Argentina

'Winning the Scholarship has been incredibly important to my career as an English teacher. At the IATEFL Conference, I attended talks and workshops by renowned authors which were highly instructional as well as inspiring and motivating. I learned a lot about new trends in language teaching and how to apply them in the class and I have already started doing so. My students love the new activities we do and I am applying a bit of everything, from CLIL (Content and Language Integrated Learning) to SFG (Systemic Functional Grammar). The annual IATEFL membership allows me to keep learning, and I have recommended the Conference videos to all my colleagues. I would definitely encourage anyone who is interested in professional growth to attend this Conference.'
