Cambridge ESOL Recognition in Chile

“Once INACAP had aligned its own English courses to the Common European Framework of Reference it became possible to recognise Cambridge ESOL exams as proof of previous knowledge of the language. This allows students to have their previous knowledge recognised and therefore be exempt from the equivalent English courses.

INACAP also uses the Cambridge ESOL exams when recruiting teachers. The minimum requirement here in Chile for an English Teacher is ALTE 3/B2, so teachers must have First Certificate or equivalent. INACAP is

actually encouraging teachers to work for and take the Cambridge Advanced Examination.”
