### BEC Teachers' Competition 2010

### Win a Two-week Teacher Development Course in Cambridge!

Do you use technology in the classroom when teaching Business English? Do you have a good idea for how technology can be used with students? If so, you could win an all expenses paid trip to Cambridge with a place on a two-week residential teacher's course.

#### What do you have to do?

- Think of a way in which technology can be used in a classroom when teaching business English to students
- Submit your teaching idea by filling in the '[Online entry form](#)'.
- Submit your entry by **14 June 2010**

#### For more information please visit:

### New FCE for Schools

- **What is First Certificate in English for Schools (FCE for Schools)?**  
A version of Cambridge ESOL's First Certificate in English (FCE) specifically designed for school-aged learners
- **What is the difference with FCE?**  
The key difference will be the settings used for the tested language and the approach to topics in the texts – all chosen to be more appropriate for this age group.
- **When will it be available?**  
FCE for Schools will be available as a paper-based exam from March 2011. A computer-based version will also be developed, though the date this will be available is to be confirmed.
