Understanding your Statement of Results

Your Statement of Results for *Cambridge English: First* gives you three pieces of information:

1. Your result: This is the most important piece of information. If you pass the exam, you will get a certificate with your grade on it. Or you could have one of these on your Statement of Results:

- X - you were absent from part of the exam
- Z - you were absent from the whole of the exam
- Pending** - your result is not ready yet
- Withheld** - you need to contact your centre

2. Your score: This is your score for the whole exam. You can see whether your score is near the top of the grade, in the middle or near the bottom. Your score is shown as a number between 0 and 100 which is converted from the total number of marks available in the exam. It is converted so that the score you need for each grade is the same every time the exam is taken. This is called a standardised score. Your score will not be shown on your certificate.

3. Your Candidate Profile: This shows you how you performed on each of the papers in the exam. For each paper, it shows how you performed compared to the standard of all the other candidates taking that paper at the same time. If you did not get the result you wanted, it will help you to decide which skills you need to improve. Your Candidate Profile will not be shown on your certificate.

NB: the bands on the Candidate Profile do not correspond to grades. There are no pass or fail levels in the individual papers. Your marks for each paper are added together to calculate your result for the whole examination.

What is the CEFR?

The Common European Framework of Reference for Languages (CEFR) is an international system that describes learners' abilities in a foreign language using six levels, from A1 (the lowest) to C2 (the highest).

All Cambridge English exams are developed in accordance with the principles and approach of the CEFR. This makes it easy for employers, schools, universities and other institutions to find out whether your English is at the right level for them by looking at your certificate or Statement of Results.
