Higher/Further Education

CAE

The Cambridge Certificate in Advanced English (CAE) is an advanced level examination for learners of English, set at level C1 of the Council of Europe's Common European Framework of Reference for Languages. It is taken by approximately seventy thousand people every year, in more than ninety countries. Like other Cambridge ESOL examinations, CAE covers the four main language skills – Reading, Writing, Listening and Speaking – as well as knowledge of vocabulary and grammar, and assesses learners' ability to communicate in English in real situations.

For more information on the Certificate in Advanced English, visit our website at www.CambridgeESOL.org or contact ESOL Information, University of Cambridge ESOL Examinations, 1 Hills Rd, Cambridge, CB1 2EU, United Kingdom.

Below are details of some of the further and higher education institutions worldwide which recognise the Cambridge Certificate in Advanced English (CAE). Many of the following institutions encourage their students to take international examinations such as the CAE. Some institutions recognise CAE for admissions purposes, others recognise CAE as credits towards internal English courses. You should note that requirements for particular further/higher education courses often vary and you should always discuss specific entry or credit details with the institution directly.
