ASSESSMENT PROCEDURE – Part 5

A mark out of 4 is awarded for content. Each piece of writing is assigned a band between 0 and 5, as described, and can be awarded 1 or 2 points within that band. For example, in Band 3, 3.1 represents weaker performance, while 3.2 represents stronger performance. When deciding on the band, examiners read the descriptors carefully and award the script the band where all or most of the descriptors apply.

Candidates who do not cover all the content points are penalised for dealing inadequately with the requirements of the task.

HANDWRITING

If handwriting interferes with communication without preventing it, the candidate is penalised by reducing the mark by one whole band – for example, 4.2 becomes 3.2; 4.1 becomes 3.1. Totally illegible responses receive 0.

LENGTH

Candidates are asked to achieve the task in 50-70 words. Very short or very long summaries are penalised.

SPELLING AND PUNCTUATION

Spelling and punctuation are important aspects of accuracy and must be taken into account as part of the general Mark Scheme. American English spelling and usage is acceptable.

Maximum mark for Paper 3 is 75. The total score is then adjusted to give a mark out of 40.
